We are at the present time growing over 150 varieties of gladiolas and would be pleased to mail catalog to interested parties. Parties who happen to be within a few hours' ride of Greenville will do well to pay our nurseries a visit as selections can be made to better advantage by seeing the actual plants than thru any printed descriptions.

Besides these specialties we grow Delphineums, Columbines, Hardy Phlox, Darwin Tulips, Oriental Poppies, Evergreens and Shrubby.
